*Bonus cuts are in red. Swimmers/divers qualified in only one or two individual events may add one bonus event provided the bonus cut is achieved.

All diving entries must meet the qualifying standards for the minimum point total in a bona fide championship or certified diving meet. Judges must be used in computing the point totals. Scores must be submitted on the official entry form and a copy of the diving sheet along with Degree of Difficulty should be included with the entry. Diving scores can be achieved in a 6 optional -OR- in a 5 optional/1 voluntary format. Furthermore, either of these formats can be pulled from an 11 dive format to achieve the 6 dive standard on either board.

For diving qualifications: if the minimum score is met by 16 competitors (in any one category) those top 16 athletes would qualify for the national meet. If there is a tie for 16th place on the top times list, all divers tied in the 16th place would be qualified for the meet.
