PLAYING RULES AND REGULATIONS

PLAYING RULES

Rules governing competition at the NAIA Women's Wrestling National Championships are specified in the [USA Wrestling Rulebook](#) except those [NAIA Rules Modifications](#) changes approved by the NAIA-WWCA and the NAIA National Administrative Council (NAC).

WEIGHT CERTIFICATION

All NAIA wrestlers must be examined by a certified athletic trainer or other certified medical personnel not sooner than September 1 and no later than November 1 annually. During the initial weight assessment, a wrestler's minimum wrestling weight class for the season shall be determined. Each institution shall keep on file a copy of their wrestlers' NCAA Weight-Management Program forms.

All institutions are required to properly set up and use the NWCA Optimal Performance Calculator (OPC). Wrestlers descending to their lowest certified weight class shall not weigh in more than one weight class above their predetermined lowest weight class.

Hosts of all individual and team-advancement tournaments, including preseason open tournaments, shall record and retain a copy of the NCAA Official Weigh-In form (see Rule 9.2.5), which shall also include the results of medical examinations (See Rule 9.1.1.).

The National Wrestling Coaches Association (NWCA) has created a computer program to assist coaches, trainers, and administrators in completing the weight certification process. The NAIA-WCA passed a motion (which was passed by the CAA) at the 2003 annual business meeting requiring all NAIA coaches to use the NWCA weight certification software. NAIA coaches can access the NWCA software at www.nwcaonline.com.

CONDUCT IN COMPETITION

EJECTIONS AND SUSPENSIONS

An ejection is an action enforced in conjunction with competition by a game official consistent with the playing rules in that sport. A suspension is required by NAIA bylaws (Article 6, Section B, Item 7) as an additional consequence related to ejections in conjunction with competition.

Ejection reports must be completed by the NAIA game official ejecting a student-athlete or coach and the athletic director of the ejected student-athlete or coach. The form must be submitted to the NAIA within 48 hours after the completion of the contest.

[Ejection Report Form](#)

Ejections are not subject to appeal. Some sport rules allow protests through an official process outlined in each sport rule book. Suspensions may be appealed starting with the Conference/Association of Independent Institutions. An institution must submit an appeal to their conference within 72 hours of the completion of contest. The conference will submit a recommendation to the national office within 72 hours of receiving the appeal from the institution. The Conduct and Ethics Committee is responsible for all appeals related to suspensions due to ejections of a coach and/or student-athlete.

Once an appeal with appropriate signatures has been submitted to the conference, the student-athlete/coach may continue to participate through the appeal process. If the appeal is not approved, then the student-athlete/coach must sit out of the next scheduled contest(s).

A suspended person cannot be in the competitive venue the day of the contest or communicate with any team personnel or game officials the day of the contest. The student-athlete/coach will be normally removed from the venue during a suspension. However, the game manager will use their best discretion on what is appropriate to risk management procedures regarding their venue.

SELECTION OF WRESTLERS

Each school may enter up to 12 wrestlers in the conference/CAC/affiliated group tournament, with no more than two per weight class.

ADMINISTRATION

The conference/CAC/affiliated group wrestling chair (rater) will assist the host site coach and athletic director in the administration of the conference/CAC/affiliated group tournament. The group rater will oversee the pre- and post-tournament coaches' meetings and is responsible for completing the final group wrestler rating form.

SEEDING AND BRACKETING GUIDELINES/PROCEDURES

All conference/CAC/affiliated groups will use the following criteria for seeding at that weight:

PRIMARY (in order listed below)

1. Head-to-head results – most recent results take precedence
2. Results vs. common opponents

SECONDARY (no weight order given)

1. Common tournament place finishes
2. Past National Championship or Conference Tournament finishes
3. Overall records – quality/strength of opponents and schedule hold precedence win-loss record

The Conference tournament shall not seed more than 12-wrestlers in a given weight class.

Separating teammates in conference/CAC/affiliated group tournaments/national brackets - The following seeding/bracketing criteria will be used for separating teammates and during the national qualifying tournament and National Championships brackets:

1. Teammates will be separated onto the opposite sides of the bracket unless seeding dictates otherwise (i.e. #1 vs. #4, #2 vs. #3).

2. No wrestler will compete against another teammate in the "pig tail" and first round of competition in the National Championship brackets unless seeding of individuals dictates otherwise.
3. In the event of a conference/CAC/affiliated group having 9 or more qualified competitors in a weight class at the National Championships, seeded wrestlers will be placed by using the pairing formula and the remaining wrestlers will be drawn into the bracket randomly creating a pairing of opponents from the same conference/CAC/affiliated group in the round of 16. If a conference/CAC/affiliated group does not have four seeded wrestlers in a weight class to place into the National Championship bracket formula, then the seeds will be drawn at random from all of the non-seeded qualifiers in the weight class.

Note: Conference/CAC/affiliated group tournament hosts are required to use the same tournament seeding & scoring software that is used at the NAIA National Championships.

NATIONAL CHAMPIONSHIP

DATES

The 2026 NAIA Women's Wrestling National Championships will take place **March 13-14, 2026**.

ADMINISTRATION

The NAIA Women's Wrestling National Championship is under the direct control and supervision of the NAIA and the NAIA Women's Wrestling Coaches Association Officers. The NAIA Wrestling Coaches Association is responsible for carrying out the policies approved by the NAIA National Administrative Council (NAC) including seeding the participants, managing the National Championship, and overseeing the welfare of the participating athletes and coaches.

NAIA matches are intended to provide National Championship competition among the best eligible student-athletes and teams at the conclusion of the respective sport season.

The NAIA will not consider a protest regarding the eligibility of a duly certified student-athlete within 15 calendar days prior to the beginning of national competition. Protests will be investigated after the event.

FORMAT

The NAIA Women's Wrestling Championship will be conducted in a two-day format. Individual Championship Championships will be determined in 10 weight classes, and the team National Champion is determined using tournament scoring as stated in the NCAA Men's Wrestling Rule Book with the exception of no bonus point scoring involving matches between wrestlers from the same team.

QUALIFICATION

National Tournament qualifying numbers will be 210, with a distribution protocol that will ensure the best possible wrestlers are represented at the National Tournament.

Automatic Qualifying – Individual wrestlers can qualify for the NAIA Women's Wrestling National Championships by:

- Qualifying standards through conference/CAC/affiliated group tournaments:
- The top finisher in each weight class at the conference/affiliated group tournament will receive an automatic berth to the National Championships.
- Additional automatic qualifiers allocations for the National Championships will be determined based on the final regular season rankings for each wrestler ranked in the top 17 in a specific weight class. (e.g., four wrestlers from the Mid-South Conference are ranked at 103 lbs. in the final regular season top 17 ratings, the Mid-South will receive four automatic qualifiers at 103 lbs. to the National Championships.)

NOTE: If a ranked wrestler does not compete at their conference tournament, that conference allocation will be removed, and an additional at-large position will go into the national at-large pool. (e.g. four wrestlers from the Mid-South Conference are ranked at 103 lbs. in the final regular season ratings, Jane Doe is ranked at 103, however does not compete at 103 during the conference tournament. The Mid-South will receive three allocations at 103 for the National Championships.)

NOTE: Athletes cannot compete in a different weight class at the National Championships than they competed in at the postseason national qualifying tournament.

At-Large Qualifying – Individual wrestlers can qualify for the NAIA Women's Wrestling National Championships by:

- **New for 2025-26 Season:** 30 Conference At-Large Bids – Each of the conference/CAC/affiliated groups will receive six (6) conference wild cards, to allocate to a wrestler that did not qualify automatically.
- The number of Conference Wild Cards would be determined by the number of conferences as follows:
 - 4 Conferences – 32 Wild Cards (8 Each Conference)
 - 5 Conferences – 30 Wild Cards (6 Each Conference)
 - 6 Conferences – 30 Wild Cards (5 Each Conference)
 - 7 Conferences – 35 Wild Cards (5 Each Conference)
 - 8 Conferences – 32 Wild Cards (4 Each Conference)
- National At-Large Bids – the remaining national bids will be selected by the National Rating Committee (raters & oversight) via individual vote using the current at-large criteria until 210 wrestlers have been selected. Selection of these at-large qualifiers will be conducted in the following manner:
- A 10-member committee consisting of the rater and oversight member from each conference will vote for at-large selections.
- Up to 10 national at-large nominees from each conference/qualifying group will be emailed to the national office following the completion of the national qualifying events. Submissions must be received by 12 a.m. CST on the conference tournament deadline.

All qualifiers and at-large nominees will be distributed to the entire coaching body by the national office on **March 2, 2026**. Specific information regarding national at-large nominees should be directed by the individuals head coach to a region-specific committee member. Each of the 10-committee members will submit online votes to the national office. Each committee member votes on their top wrestlers regardless of weight, up to the number of at-large positions remaining. Each vote is awarded one point. The points will be tabulated at the NAIA National Office. The individual(s) with the most points garner the available at-large positions.

Note: In the case of ties for at-large selection where there is a tie with two individuals at the same weight class, the regular seeding criteria will be used to break the tie. If the individuals are at different weight classes, the seeding committee will vote to break the tie. In the case that the seeding committee ties on the deciding vote, the NAC liaison will vote to break the tie.

Alternates – Allow up to three alternates be entered into the NAIA National Championship in case of injury. The three alternates will be the top three vote receivers that did not qualify as an at-large qualifier to the national championship. The deadline for alternates to be entered will be the end of team qualifier registration at the national championship.

NATIONAL CHAMPIONSHIP SEEDING AND BRACKETING GUIDELINES/PROCEDURES

The National Seeding Committee will use the following criteria for seeding at that weight:

PRIMARY (in order listed below)

1. Head-to-head results (during current collegiate season) – most recent results takes precedence if wins and losses are even, otherwise the wrestler with more wins has criteria
2. Results vs. common opponents

SECONDARY (no weight order given)

1. Common tournament place finishes (must be at same weight class)
2. Past National Championship or Conference Tournament finishes (same weight class will take precedence)
3. Overall records – quality/strength of opponents and schedule hold precedence win-loss record

The Top eight wrestlers will be seeded in each weight class.

A committee of two coaches from each conference/affiliated group consisting of the rater and oversight, will vote on the seeds for the National Championships. Each coach on the committee will submit votes on the top 11 seeds from each weight class. The 9, 10 and 11 seeds are considered alternates to the 8 seed. A #1 seed receives 11 points, #2 seed receives 10 points, a #3 seed receives 9 points, and down the line to the #11 seed receives 1 point. To ensure any outlying votes do not skew the results, the highest and lowest voted for each wrestler will be removed.

The coaches on the Seeding Committee are not to work together or communicate with each other at any point during this process.

The votes will be submitted electronically. The point totals will be totaled to determine the preliminary seeds. The National Oversight Committee comprised of two athletic administrators and an executive committee member that is not a member of the National Seeding Committee will review the preliminary seeds and contact a member of the National Seeding Committee in the instance any extreme outliers discovered. The results are sent to the National Seeding Committee. The National Seeding Committee and National Oversight Committee will meet via conference call to discuss any seeding changes that may need to be made. Only individuals whose point totals are within 10 points can be discussed. In order to a change to be made, it must be a unanimous decision among the National Seeding Committee. If the National Seeding Committee is not able to come to a unanimous decision, the National Oversight Committee will make the ultimate decision.

Separating teammates in conference/national brackets - The following seeding/bracketing criteria will be used for separating teammates and during the national qualifying tournament and National Championship brackets:

Teammates will be separated onto the opposite sides of the bracket unless seeding dictates otherwise (i.e. #1 vs. #4, #2 vs. #3).

No wrestler will compete against another teammate in the "pig tail" and first round of competition in the National Championship brackets unless seeding of individuals dictates otherwise.

In the event of a conference group having 9 or more qualified competitors in a weight class at the National Championship, seeded wrestlers will be placed by using the pairing formula and the remaining wrestlers will be drawn into the bracket randomly creating a pairing of opponents from the same conference in the round of 16. If a conference group does not have four seeded wrestlers in a weight class to place into the National Championship bracket formula, then the seeds will be drawn at random from all of the non-seeded qualifiers in the weight class.
