

GETTING STARTED ON THE OPENDORSE MARKETPLACE

The new Opendorse-powered school-specific marketplace makes it easier than ever for fans, brands, and supporters to send you NIL deals. It takes just a few minutes to get started, just follow the steps below:

START HERE

DO YOU HAVE THE OPENDORSE APP?

If you already have the Opendorse Mobile App, please go to Step 2.

STEP 1

DOWNLOAD THE OPENDORSE APP

Scan or tap the QR code below or visit your App Store and search for 'Opendorse.'

STEP 2

SIGN IN OR CREATE YOUR ACCOUNT

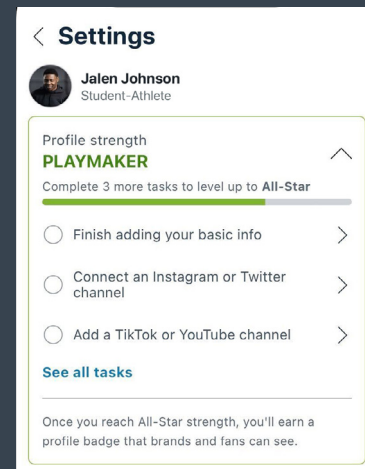

Once you download the app, you'll be able to sign in with your email or phone number. If you haven't created an account or can't remember which email or phone is associated with your account, click the 'Sign Up' button.

The screenshot shows the Opendorse app's sign-in interface. At the top is the Opendorse logo. Below it are three buttons for social login: 'Sign in with Twitter', 'Sign in with Facebook', and 'Sign in with Apple'. A horizontal line with 'or' in the center separates these from the email/phone sign-in section. This section has a label 'Email' and 'Sign in with phone' next to a text input field. Below the input field is a 'Sign in with password' link. A green 'Send Link' button is positioned below the input field. At the bottom, there is a line of text: 'By continuing, you agree to the Opendorse Terms of use and Privacy policy'. At the very bottom, there are two links: 'Don't have an account?' and 'Sign up'.

STEP 3

COMPLETE YOUR ACCOUNT DETAILS

Tap your profile photo in the top right corner of the app to view your profile strength. Complete the tasks associated with your account profile to earn your All-Star badge. You can always revisit these tasks.

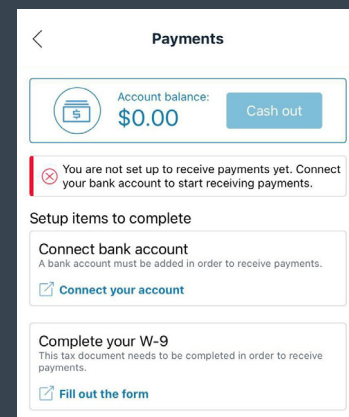

STEP 4

SETUP PAYMENTS

You will need to complete a W-9 and link a bank account before cashing out any NIL activities.

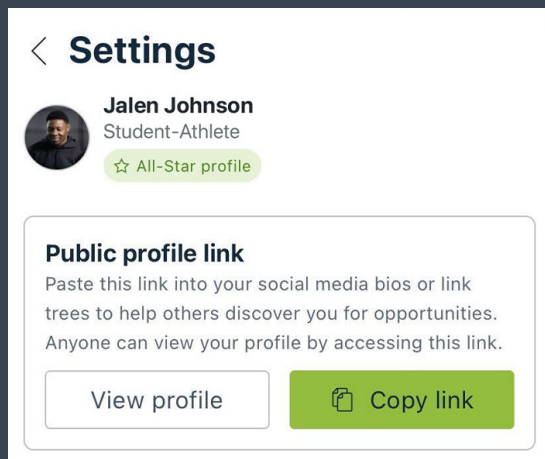

1. Tap your profile photo in the top right corner of the mobile app
2. Select 'Payments'
3. Connect your bank account and complete your W-9

STEP 5

SHARE YOUR PROFILE

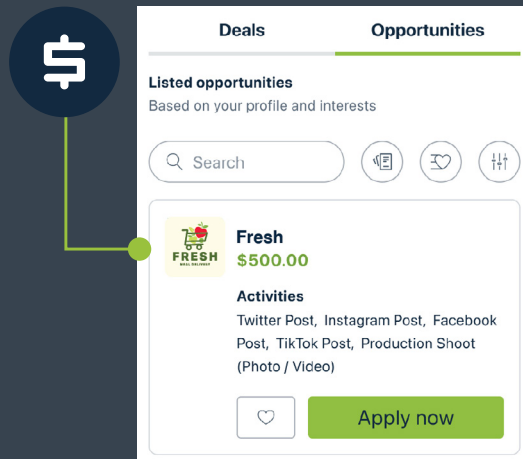

Now that your Opendorse profile is ready to go, it's time to let your fans know you're available for NIL deals! The easiest way to promote your profile is to copy your public profile link and add it to your social media pages. You can find your public profile link on your 'Settings' page in the mobile app (Tap the profile photo in the top right corner).

STEP 6

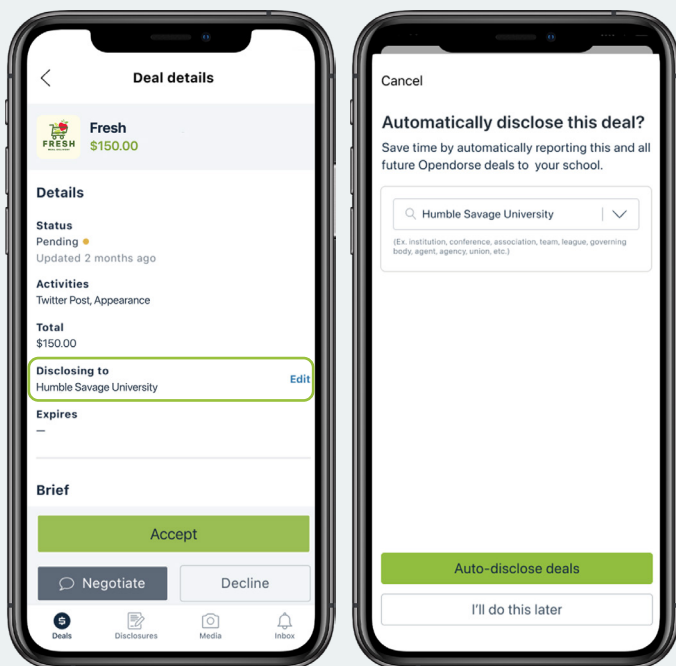

CHECK OUT OPPORTUNITIES

You don't need to only wait for fans to send you deals, however. Brands are always looking for athletes to do deals with. You can browse and apply to these Opportunities directly in the mobile app by navigating to 'Deals' using the lower navigation bar, then selecting the 'Opportunities' tab.

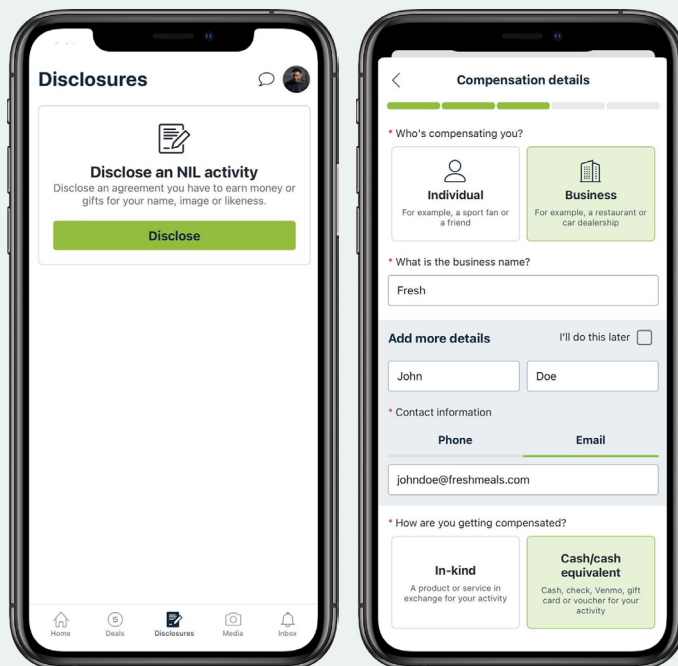

HOW TO DISCLOSE NIL ACTIVITIES

If your school requires you to disclose via Opendorse, follow these steps to do so.

If you complete a deal within the Opendorse Marketplace, you'll be asked to enable automatic disclosures. Enabling this will ensure all Opendorse deals are properly disclosed.

If you complete a deal outside of the Opendorse Marketplace, you can manually disclose it by tapping the Disclose icon on the bottom menu and inputting the requested information.
