

NAC Policy Changes – Men's Lacrosse

- [Men's Lacrosse Rules Changes](#) have been adopted.
- Championship status for Men's Lacrosse.
- Add individual team champions, runners-up and all-tournament team awards to be presented at the national championship.
- National Selection Committee criteria will change from ratings to polls.

National Selection Criteria	
Primary	Secondary
Head-to-Head	Common Opponents
Area Rating	Record vs. 11-20 RPI
RPI	Record vs. non-NAIA ranked Opponents
Record vs. top 10 RPI	Strength of Schedule
	Record vs. NCAA Opponents

- To move Men's Lacrosse to a selection committee to determine the at-large teams for the National Invitational and to seed the 8-team field.
- Replace current ratings with polls. Eliminate conference ratings, eliminate national oversight process, each conference be represented by two votes, and remove high and low votes.

All motions will be effective for the 2024-25 academic year.

- *Combine the men's and women's lacrosse championships during the same week. In 2026, the championship will take place from May 11-16.

***Motion will be effective for the 2025-26 academic year.**
