

NAC Executive Committee Summary

May 2026

Below is a summary of actions taken by the NAC Executive Committee during its May 2026 meeting.

Championship Competition and Rules Committee Chair

The NAC Executive Committee has determined to extend the terms of Larry DeSimpelare, Championship Competition Committee Chair, and Jayme Pendergast, Rules Committee Chair, to serve an additional two-year term as at-large members of the Council and remain as chairs of their respective committees to ensure consistency in committee leadership. Per NAC policy, if a member is serving as a subcommittee chair and their second term on the Council is expiring, they are eligible to receive an additional two-year at-large term when necessary to maintain continuity and stability within committee leadership.
