Welcome from the NAIA

On behalf of the National Association of Intercollegiate Athletics (NAIA), congratulations on your qualification to the 2025 NAIA Men's Soccer National Championship! The event will be held at Orange Beach Sportsplex in Orange Beach, Alabama on December 1-8, 2025. This championship packet will serve as an in-depth guide for the championship.

We look forward to welcoming you to Orange Beach and wish you the best of luck!

Mission Statement

The purpose of the NAIA is to promote education and development of students through intercollegiate athletic participation. Member institutions, although varied and diverse, share a common commitment to high standards and the principle that athletics serve as an integral part of education.

The NAIA embraces the concept of the student and recognizes the importance of the individuality of each member institution, the value of the conference and independent structure, and the benefits of membership in a national association. (Additional information relative to the philosophy of the NAIA can be found in the NAIA Official and Policy Handbook.)

About the NAIA

The National Association of Intercollegiate Athletics (NAIA) was founded in 1940 as the National Association of Intercollegiate Basketball (NAIB) to provide small colleges with a championship basketball tournament. In 1952, the organization expanded to include other sports and became the NAIA. The NAIA was a pioneer in college athletics, being the first to offer championships for African-American student-athletes and the first to sponsor a national championship for women's sports in 1980. Today, the NAIA supports smaller colleges and universities, emphasizing character-driven athletics and student-athlete development.

If competitions on semifinals (day 5) and/or Championship (day 6) are not able to be played due to inclement weather the national championship schedule will be altered to have the Semifinals played Sunday pending written approval of all four participating schools and the Championship the day after. NAIA Sportsmanship and Code of Conduct Policy

Ejections

An ejection is an action enforced in conjunction with competition by a game official consistent with the playing rules in that sport. A player, coach or other bench personnel ejected from the game must leave the venue, be out of sight and sound and is prohibited from any communication or contact, direct or indirect, with the team, coaches and/or bench personnel until the completion of the contest, including all overtime periods. Exception: The AT is permitted to be in the designated spectator area if he/she is ejected. If the ejected individual(s) is a player of record in the game at the time of the ejection, the player, who cannot be replaced, shall leave the game and his team shall play short. Ejections also result in subsequent game(s) suspension as outlined in Rule 12.8.

[Ejection Report Forms](#) must be completed by the ejecting NAIA official and sent to the Athletic Director of the ejected student-athlete or coach. The form must be submitted to the NAIA within 48 hours after the completion of the contest. Protests based on matters of referee judgement or the accuracy of a decision shall not be considered.

Ejections are not subject to appeal. Some sport rules [allow protests through an official process](#) outlined in each sport rule book. **Protests based on matters of referee judgment, or the accuracy of a decision shall not be considered.**

NAIA Championship Property: All NAIA-branded signs, banners, and displays are the property of the NAIA and must be treated with care and respect. Any student-athlete, coach, or team found damaging, removing, or stealing these materials will be held accountable. The offending institution will be responsible for the full cost of repair or replacement and may be subject to an administrative fine of up to \$500, as well as additional disciplinary action under NAIA Conduct and Ethics policies.
