

NAIA Soccer Facility Certification

This document outlines the facility requirements for hosting NAIA championship events. Athletic directors and facility managers should gather all necessary details, including field dimensions, playing surfaces, lighting, and seating, as well as provide required photos. Please review the requirements carefully and ensure your facility meets the standards before submitting the form.

Section	Requirement	Details	Photos/Documents
Submitter's Information	Name, Institution/Organization, Contact Info	Provide submitter's name, institution/organization, and contact information.	None
Facility Information	Facility Name, Address, Location	Indicate facility name, address, location (on/off campus), and distance from campus if applicable.	None
