Commercial-Grade Logo Furniture

All furniture is commercial-grade and designed to last in the toughest environments.

Marketing Opportunities

Every XZipit logo panel presents a new opportunity to offer VIP treatment for your sponsors or clients. We can personalize any logo panel with a name, number or a sponsor logo.

Branding To The Next Level

Showcase your logos in ways you've never even imagined. From office chairs and recliners to folding chairs and tables, we have a branded solution perfect for you and your facility.

Generate Extra Revenue

Our XZipit system is a marketers dream and can help you create an endless stream of revenue! We proudly supply tables, outdoor furnishings, and anything else you may require.

Who We Work With

Select Clients Include:

Join the many NAIA, D2 and D3 Collegiate Schools that are currently using our DreamSeat line of furniture. Listening to you and your needs, understanding the vision and working in tandem, DreamSeat has been able to create one of a kind spaces that exactly meet your furniture and seating needs.

The XZipit System

Showcase Just About Anything Possible

Company logos, events, schools, organizations, championships, clients and much more. If you can draw it, we can produce it.

XZipit Logo Panels are interchangeable between most XZipit furnishings. They are made with high quality leather and synthetic leather, on high-volume embroidery machines. No job is too large or too small, and all exhibit the same refined detail in their embroidery.

Logos Zip In And Out In Seconds!

Whether it's a change in branding, event promotion, or you're just tired of the logo, zip in a new one in seconds. Never feel tied down or restricted to one logo.

Personalize Your Logo Panels

Customize your Logo Panel with a members name, shield number or years of service. Perfect for retirement gifts, special occasions or to honor members.

High-Quality Logo Embroidery

All embroidery is done in-house to maintain top quality control and turnaround time. (70,000 Average stitch count)

Xpression PRO

Product Information

The Xpression PRO Gaming Chair builds upon our 1st generation Xpression Gaming Chair by introducing several additional features and enhancing some of the most popular elements. The Xpression PRO continues to provide exceptional body support and boasts an adjustable, contouring, durable, and fully reclining seat. With increased padding in the seat and back, the Xpression PRO is an ideal choice for gamers, streamers, dispatch workers, or anyone seeking extra comfort in an office chair. We've also incorporated a five-star metal base and included two magnetic pillows—one for lumbar support and another for the head and neck. Ofcourse, it wouldn't be a DreamSeat without the ability to proudly display an embroidered logo! The Xpression PRO sets new standards for quality, comfort, and stability, meeting and exceeding your expectations for a gaming or dispatch chair.

The Better Bleacher Seat

Product Information

The most comfortable upgrade for existing bleacher bench seating, increase your fan comfort and ticket prices! Perfect for social distancing initiatives, install seating in clusters, and leave bleacher bench between clusters of seats. Simple, quick, durable and code-compliant installation and storage. Fits on your existing bench seating.

- **3 Year Warranty (Best in the business):** Manufactured of the same quality materials/industrial engineering specifications as our permanent stadium seating.
- **Patent pending fold flat back rest:** This innovation allows our chair to offer the maximum comfort while also affording the code compliant seat capacity of a bench seat. You don't need to lose capacity to upgrade your fan experience.
- Slatted flexible polymer seat bottom allows for water drainage, added air flow and mimics comfort of a padded seat without the maintenance headaches
- 3 point fastening system means quick and durable installation; either permanent or temporary.
- Set as tight as 18" spacing or increased for VIP seating comfort at any space.
- Dampened slow close auto return feature.
- Mesh back for maximum comfort and breath-ability (Optional Choice of Color).
- The back rest returns to the flat position when unoccupied. Allows easy entry and exit for spectators and also allows fans to step over rows to exit in an emergency.
- Seats are designed to nest neatly and efficiently to reduce freight costs and storage area needed.
- Can mount to any surface.
- Four standard colors for quick ship. Custom colors available (Volume Orders).
